Saturday, November 5

8 AM to 1 PM

**Ansonia Public Works Department
North Division Street, Ansonia**

For more info call:

Ansonia Residents:

203-736-5945

Derby Residents:

203-736-1468

Seymour Residents:

203-735-6028

Certain local disposal options may also be available. Please check with your public works department or local transfer station or the following resources:

Batteries: 1-800-8-BATTERY or www.call2recycle.org (excluding alkaline and auto batteries).

Compact Fluorescent Light (CFL) Bulbs: call 1-800-CLEAN; www.earth911.com

Paint: www.paintcarc.org and visit the Connecticut portion of the site to find a drop-off location for household paint.

Commercial and industrial waste will only be accepted through prior arrangement. Small quantity generators (CESQGs) please contact your town if interested in participating in HHW collection.

Connecticut participates in a statewide paint recycling program known as PaintCare. PaintCare provides free recycling of architectural paint by placing a small fee on newly purchased paint. Acceptable paints will be collected at HHW events.
